

November 2023

WHS News

With the WHS boy's football and the girls volleyball season coming to an end sadly, we can get cheered up with girls and boys basketball starting! A view of this month is not only consisting of just sports, but many other activities and events also. The National FFA Convention is being held November 1st-4th. The Veteran's Day assembly is November 10th along with a noon dismissal followed with Veteran's Day being on Saturday, November 11th. Kindness Week starts Monday November 13th along with the WHS girls basketball game in Pleasant Hill. November 14th for Mrs. Hileman's classes, there is the building trades expo also along with the FFA section 13 Agronomy and Grain Fair being held. Advisory will be closed Tuesday the 21st along with the FFA BUILD Conference and WHS girls basketball game at home against Porta. Thanksgiving breaks start Wednesday the 22nd and ends on the 24th. Another girls basketball game (V) at home will take place against Routt, while boys basketball (V) will be away at Western on the 27th. Following on the 28th, the JV boys basketball will have their away game also at Western. To wrap up the month, the last day of November will consist of the girls (V) basketball away game at Pikeland Schools.

Carlee Hinegardner

Mrs. Geiske is our art teacher. She graduated from Winchester High School and Graduated from STUE. She majored in interior design, Mrs. Geiske is a very busy lady. She splits her days between the grade school and the high school. We are creating our own Shirts to print. And learning how to jell print. It is so much fun. Mrs. Geiske really enjoys all her art classes to show students how to be creative. It may one day help with some of their careers and inspire others. Also we are planning an art show.

Thanksgiving

Thanksgiving is one of my favorite holidays and it's all about being around your close family and friends and celebrating what makes you happy. Thanksgiving first became a holiday in 1789, there are several different traditional thanksgiving foods such as turkey, gravy, stuffing, potatoes, veggies, and different kinds of pies, people celebrate thanksgiving because it means celebrating the harvest and other blessings of the past year. Thanksgiving is a compound noun made up of the words thanks and giving, president George Washington was the first U.S president to issue a proclamation for the holiday in 1789, designating Thursday, November 26 "for the people of the United States a day of public thanksgiving", John Adams and James Madison similarly declared thanksgiving a holiday, although there was one U.S president who refused to celebrate thanksgiving which was Thomas Jefferson, for Jefferson celebrating thanksgiving meant supporting state sponsored religion since Thanksgiving is rooted in Puritan religious traditions, that's all for my article hope you enjoy.

Veterans Day is upon us!

Veterans day is the day to honor our veterans for their service and appreciate all they have done for our country. At Winchester high school we honor our veterans by holding an assembly for our local veterans. The grade school and the high school attend at the grade schools gym, the national honors society reads appreciation speeches and even tells some of the veterans stories. They also have a slideshow of our beloved veterans and those who couldn't join us for the assembly. One of the grades schools younger classes sings and the high school ASL signs to a patriotic memorial song. The community of Winchester appreciates our veterans for their service and bravery and we are excited to be honoring them yet again this year at the assembly on November 10th in the grade school gym with breakfast beginning at 8:15 then the assembly follows at 8:45.

GIRL BASKETBALL

Girl basketball is a 5 player game and this sport is really aggressive and you got to play smart. The girl basketball coach Mr. Likes he is a good basketball coach he did coach for the grade school basketball girls. And the girls who are playing this year are, they start sometime in November i not for sure when but they already had a meeting so if you still want to you need to get ahold of Mr. Likes to see if you can still join, but if you think you can't get hurt in Girl Basketball you are wrong because some of the girls will hurt with out thinking twice no matter what Basketball it is girls or boys you can still get hurt, i have a friend who was in boy basketball and he got hurt really bad and i did know some girls who got hurt really bad in girls basketball you need to be tough in basketball and try not to get hurt.

Activities and holidays throughout November

We have several different holidays that aren't just thanksgiving, we have on the 1st of November American Indian Heritage month and throughout November there are several more holidays and to name a few there, Veterans day, we have thanksgiving on the 23rd and on the 22nd we have thanksgiving break, on the 24th of November is Native American Heritage day, there's also picture retake day on November 9th at 8:00 a.m. On November 5th Daylight Saving Time ends, Thanksgiving break is from November 22nd to the 24th. There some Junior high boy basketball games throughout the month of November, If you want that information you can check the school calendar. On November 1st the Shooting sports final results will be published. On November 2nd through November 4th is the National FFA Convention. Winchester Highschool will also

Veterans day

Veterans Day is a solemn and significant occasion celebrated annually on November 11th, paying tribute to the brave men and women who have served and continue to serve in the seemed forces. It is a day when we honor their unwavering dedication, sacrifice, and commitment to protecting and preserving our freedom. On this day we reflect upon the courage and selflessness exhibited by veterans, acknowledging the challenges they have faced and price they have paid to ensure our safety and security. It is a time to express our profound gratitude and appreciation for their service and sacrifices. We recognize that Veterans Day is not just a single day of recognition but a lifetime long recognition.
